CITIZENS' HIGH SCHOOL PROGRAMS - Just as soon as we receive this enrollment agreement and the initial monthly payment, we will immediately give the student access to first course materials and instructions. After enrollment acceptance and the evaluation of official transcripts, if any, from previous high schools the student will be notified in writing of the required coursework he or she must complete for a Citizens High School diploma. Student is responsible for transcript request fees. Twenty-five percent (25%) or less of student's program courses will utilize curriculum that comes from 3rd-party vendors. This curriculum has been reviewed by CHS faculty and is taught by CHS faculty as well. Upon the completion of the Citizens' High School diploma program, and payment in full of all financial obligations to the school, the student will be awarded an accredited high school diploma. If unable to complete in the four-year time frame, the student may submit a written one-time extension request. Citizens' High School will not release student records or status over the phone in accordance to the Family Educational Rights and Privacy Act (FERPA).

ADMINISTRATIVE WITHDRAW POLICY - The student will be charged every 30 days using our auto payment system and will charge the card that is placed on file by the student. If the system is unable to successfully process the credit card on file, the student's account will be placed on Blocked status after five (5) days of unsuccessful attempts to charge the card on file. When a student is on Blocked status, they will be unable to access their courses, but will have full access to the Student Information System to make a payment, update the credit card on file, and view student academic information. At 60 days after the last successful payment, the system will attempt to charge the card for the normal monthly tuition amount. The system will continue to attempt to charge the card for another five (5) days if unsuccessful after the first attempt. If attempts to charge the card and the school's outreach to the student have been unsuccessful the student will be administratively withdrawn, and the account balance will be adjusted to \$0.

- For Academic Purposes: If a student has submitted no assignments for any course(s) for 35 days, the student will be Academically Blocked. If the student, after several attempts to outreach using various methods, has not submitted an assignment for 65 days they will be Administrative Withdrawn.
