How to install the CANVAS App for Parents

Before Starting, we recommend you ask your child to provide their pairing code by following these steps: <u>How Do I Generate a Pairing Code for an Observer as a Student</u>

1

Search for "Canvas Parent" in your Apple or Android app store or, if you are on your device now, you can click one of the following:

Apple App | Android

For IOS, Tap "GET"

EST

For Android, Tap "Install"

2

After the download, open the App on your Device and Click "Find School"

3

Type "Citizens' High School" to find the school...

5

To create your account, enter your name, email address, the password you want to use and the <u>Pairing Code</u>

What is a pairing code?

6

Done! You are now ready to start using the CANVAS app!
