

How to install the CANVAS App for Students

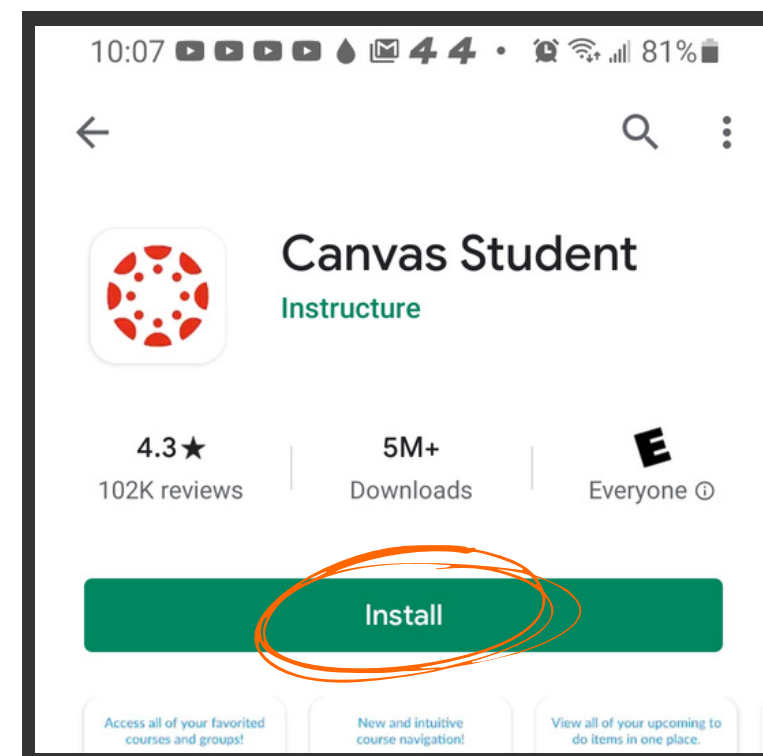

1

Search for "Canvas Student" in your Apple or Android app store or, if you are on your device now, you can click one of the following:

[Apple App](#) | [Android](#)

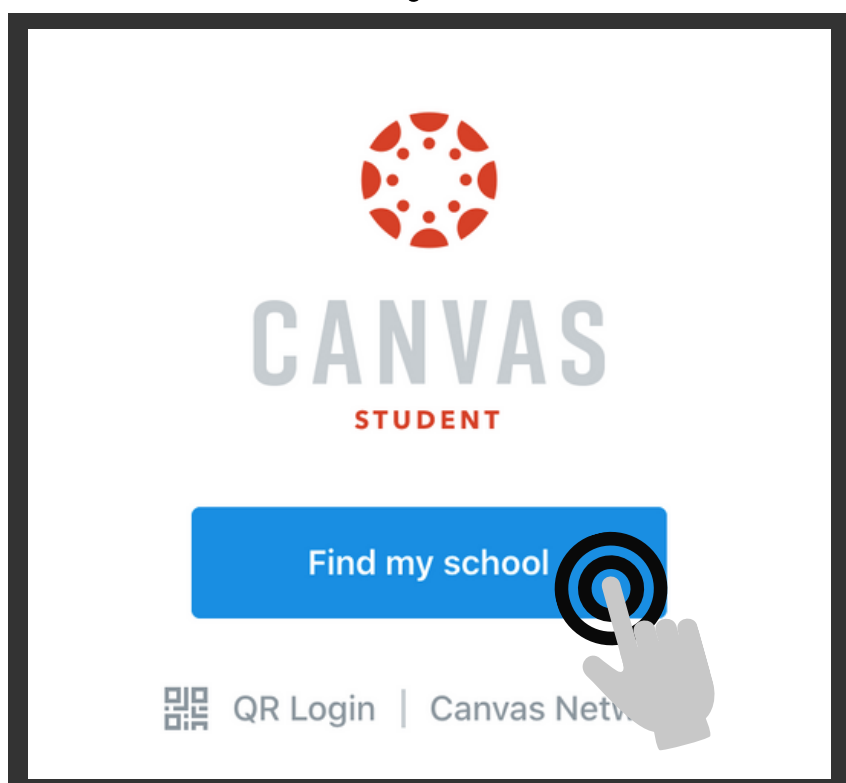

For IOS, Tap "GET"

For Android, Tap "Install"

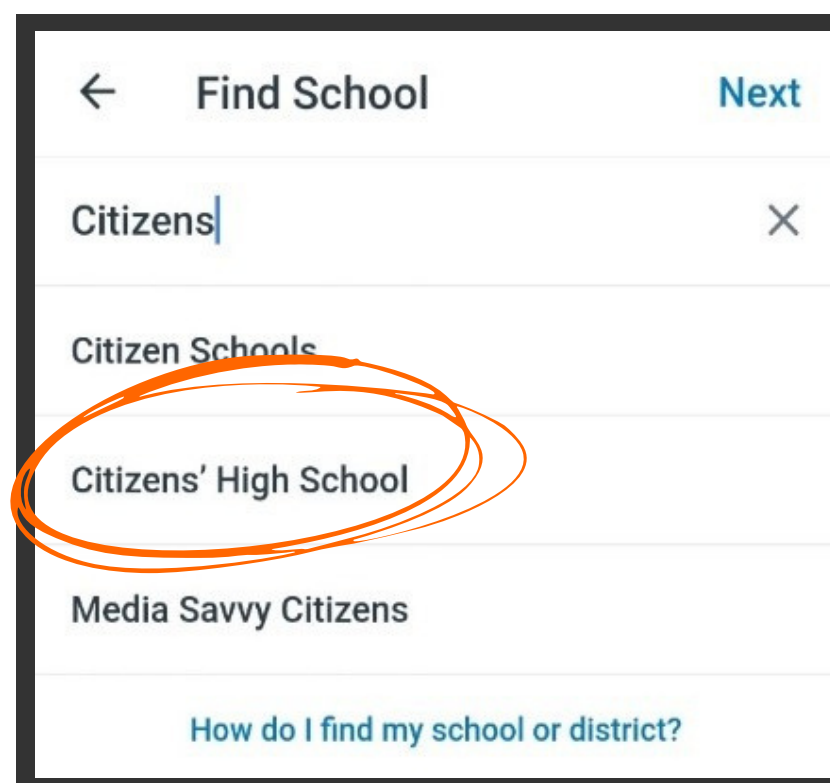

2

After the download, open the App on your Device and Click "Find my School"

3

Type "Citizens' High School" to find the school...

4

Log in with your Canvas Username and Password

5

Done! You are now ready to start using the CANVAS app!
