

CHS Dual Credit

CHS brings **forty years** of hands-on distance education experience to help you succeed.

If a student wants to get a jump start on a career, we can work together to make it happen.

M

any students have the desire to enter training for a new career. But they have limited time and resources.

Citizens High School has a Dual Credit Program that is tailor-made for career colleges.

Do you have students who are:

- Interested in enrolling in your program, upon graduation from high school
- Have limited resources and need to complete both program in a short timeframe
- Have a high desire to learn and succeed
- Of Junior or senior classification and have proven successful in other courses at CHS

We have two objectives:

Primary Objective:

Assist students in graduating from CHS and career college.

Secondary Objective:

Provide Career Colleges a program that is simple to implement, easy to use, and costs **NOTHING!**

are CTE-focused

Primary Objective

Assist students in graduating from CHS and career college.

Students must complete the following tasks to earn the dual credit:

1. Select the dual credit course from our catalog that matches their Career College program
2. Print out the dual credit course syllabus
3. Download and complete the Dual Credit Acceptance Form
4. Bring the syllabus to the Career College counselor for review and approval
5. Upon graduation or as part of a dual enrollment program the student enrolls in the Career College as a full-time student having already earned college credit

Secondary Objective

Provide Career Colleges a program that is simple to implement, easy to use, and costs NOTHING!

- Counselors have only to review syllabus and grant transfer credit
- Increases retention rate by enrolling students who have earned credit with the school
- A simple process that does not take time away from your staff and requires no expense
