SENIOR MAY NOT GRADUATE ON TIME?

One missed semester should not cost another school year.

A FOCUSED WAY TO CLOSE A SMALL CREDIT GAP

MISSING ONLY HALF A CREDIT?

SELECTED SEMESTER COURSES TAKE WHAT IS MISSING

If a student earned one semester of a year-long subject but missed the other, a matching CHS 0.5-credit course may let the student complete only the missing semester instead of repeating the full course.

THIS MAY HELP WHEN A STUDENT

- Changed schools in the middle of a course
- Lost credit for one semester
- Failed or withdrew from one semester
- Cannot fit the course into the senior schedule
- Needs a course the school does not offer

HOW CHS MAY HELP

1

IDENTIFY THE GAP

Send the transcript and the school's written requirement. Confirm whether 0.5 or 1.0 credit is needed.

2

MATCH THE COURSE

If CHS offers the right subject and credit amount, the student can focus on exactly what is missing.

3

BEGIN ONLINE

Self-paced coursework can fit around school, work, family responsibilities, and PCS changes.

4

TRANSFER THE CREDIT

After completion, CHS can send an official transcript through Parchment to the receiving school.

Get approval first: the current or receiving school must confirm that the CHS course will satisfy its graduation requirement.

IF MORE THAN ONE COURSE IS MISSING

CHS can review the transcript for a complete diploma pathway and explain prior credits, remaining requirements, the 18-credit Career or 24-credit College option, and a realistic timeline.

4.5 OR 6 CHS CREDITS MINIMUM*

DO NOT ASSUME YOUR SENIOR HAS TO REPEAT A YEAR

A transcript and one clear requirement can reveal a smaller, more direct path to graduation.

START WITH THESE THREE ITEMS

01

CURRENT TRANSCRIPT

An unofficial copy is fine for the initial review.

02

WRITTEN REQUIREMENT

Ask the school for the exact subject and credit amount.

03

GRADUATION DEADLINE

The date helps CHS explain what timing may be realistic.

A COMMON MIDYEAR SCENARIO

The student is 0.5 credit short.

The student completed the first semester of a year-long course but lost the second-semester credit after a move. The receiving school confirms that 0.5 credit is still needed, but the class is not offered before graduation.

POSSIBLE CHS SOLUTION

Complete only what is missing.

If CHS offers a matching 0.5-credit semester course and the school approves it, the student may complete that semester online and transfer the finished credit back to the school.

EVERY DAY MATTERS

14-day minimum for 0.5 credit | 28-day minimum for full credit

FIND OUT EXACTLY WHAT IS MISSING

Send the transcript and written graduation requirement. CHS can identify whether a matching 0.5-credit or full-credit course is available and explain the next step.
